# HTTP5104 Midterm Part 2 - Style Notes

Fonts

Two main fonts have been used:

- Arial (stack: Arial, Helvetica, sans-serif)
  - default font (15px)
- Times New Roman
  - headings
  - some special text (see JPG)

Use appropriate font stacks when declaring the above fonts. The font stack for Arial is provided. Use the appropriate font stack for Times New Roman.

Colours

The default font colour is black, so no change, but there are two main colours:

#00a99d

Used in headings and some links.

#fb145a

Link colour, comment border colour, and "Featured Post" heading.

The other colour you'll need is:

#ffd4e1

Comment background colour.
